The last horse bred by the legendary Jeanne Mellin Herrick, New Moon's pedigree is unlike any other stallion standing today. His sire, Aquarian Supremacy, was the last son of the great park harness horse, SADDLEBACK SUPREME, an own son of the incredible show horse and producer, Trophy's Emerald. Supreme was the sire of a plethora of trotting greats, including names like Philharmonic, Couser's Supremacy, Forget It Supreme, Saddleback Superstar, and of course, Saddleback Su Prano. His dam was a daughter of the most famous son of the historic Morgan stallion, Pecos—ELM HILL CHARTER OAK, sire of The Phantom Of The Opera, WoodnBrook High-N-Mighty, Serenity Terry, White Rock's Caliope, HVK Tarantella, Saddleback Scorpio, Charlestown Scotland, Chantwood Chatterson, HVK Ondine, Saddleback Showgirl, Saddleback Salute and Tedwin Top This, just to name a few. But even more importantly, New Moon's second dam was TROPHY'S EMERALD herself, giving him two close crosses to this important mare. You won't find a more concentrated source for the blood of Trophy anywhere else today.

The designation of CH—so important to the show horse to accomplish and so defining to achieve. CH starts with DNA it can't happen without it. DNA, however, trumps CH in the breeding shed. Brigantine never had CH opportunity, but no one told his DNA. There are many CH making up the unique pedigree; Centerpiece, Serenity Masterpiece, UVM Christine and Hillock Showson. All parents or grandparents. All wear the designation top and bottom. With just a handful of foals, the NYSSA has seen five top five sired by Brigantine, including a unanimous winner in just the past five years. Add to that a Futurity champion. Offspring have only recently made performance debuts, each with a championship victory pass. A recent star at the prestigious New England Regional was Junior Champion Mare BRIGIT BARDOT, sired by Brigantine. His own DNA is siring offspring that have a naturally upright carriage, who are tall and substantial with all the curves in all the right places. The athletic abilities of his get won't disappoint. The finishing touch is the distinct face of beauty and expression gifted by his dam, World Champion Mare UVM Christine. Nearly all are distinctively in her likeness. Brig is really late to the game, so don't wait too long.

Three generations of successful park horses on both sides of his pedigree tell us that we should expect blood to tell in his first group of foals to arrive in 2024. Breeding performance horses can be an elusive dream, but when you stack the deck like this one, it should be a slam dunk. Bred by Chris & Janet Morris, Summitry is a talented and correct Morgan stallion unshown due to an early injury. His multi-titled sire needs no introduction, and his dam was the celebrated UVM Christine, the 1998 World Champion Senior Mare, Grand National Champion 4YO Mare, Reserve World Champion Mare, and the 1999 NEMHS Ladies English Pleasure Champion. Summitry is a full brother of the multi-titled in-hand, park, and pleasure champion gelding, HVK Lord of the Bluegrass. Although Summitry has been infrequently bred, his show offspring include UVM Odyssey GCH; Stilwell Spy, World Champion Morgan Dressage Horse; Stilwell Kingsley V, winning Eventing, Jumping and Dressage Horse; and Vandal, In-hand Gelding and Maiden Western Pleasure Winner at MMHBF. Janet and Chris Morris established a quality Summitry frozen semen bank for their personal and commercial uses before transferring Summitry's ownership to Creekside Morgans. Summitry's foals inherit his beauty, loving temperament, will to win, and correctness. Summitry is a fine cross for mares from a variety of families, including but not limited to Masterpiece and Wham Bam, since Summitry's inbreeding coefficient is 6.299 and he carries no inbreeding within four generations.
